

RECOMMENDED SCHEDULES

For Students Based in Canada

Where holidays land on session start dates, the session start moves ahead to the next business day. One school session is 4 weeks. December sessions are only 3 weeks long in 2024. Student intake is on session start dates for University Pathway Program Online and Greystone College Pathway Online, and every Monday for other online programs; however, students are encouraged not to start on the last Monday of the session. If you start on the 2nd or 3rd Monday of a session, you may be placed in an ongoing class.
