### ILSC LANGUAGE SCHOOLS

Our 3 language schools in Canada, in Montreal, Toronto and Vancouver, offer dynamic language learning opportunities in English and French. The majority of our students take flexible study programs that allow them to create their study plan as they go, choosing language classes every 4 weeks according to their language level, personal interests, skill progression, and study goals.

**CORE CLASSES:** Core classes provide a strong, comprehensive foundation in the subject area.

**ELECTIVE CLASSES:** Elective classes build on your core learning and enhance linguistic skills through content focused on your particular interests or to help you achieve specific learning goals.

**PROGRAM:** A program at ILSC is the study package you build that meets your interests and helps you achieve your goals. A program can also be a pre-packaged selection of classes created by ILSC.

### GREYSTONE COLLEGE

Our 3 Greystone College campuses in Montreal, Toronto and Vancouver, Canada, offer a range of Certificates and Diplomas in Business, Hospitality, Digital Marketing, Teacher Training, and Tech.

In Canada, students can choose academic only programs, or take co-op or practicum programs and get Canadian work experience in their field of study.

**Credit Transfer Programs:** Completion of some Greystone College programs provides students with course credit they can transfer towards bachelor's degree and diploma programs at ILSC and Greystone College's partner colleges and universities in Canada. Students who choose to take a credit transfer program have the option to apply for a Post Graduate Work Permit in Canada after completing their program at one of Greystone College's partner schools.

*Program and Class offerings may vary depending on enrolment.*
