ILSC LANGUAGE SCHOOLS

Our language school in India offers dynamic language learning opportunities in English, French, and Hindi. The majority of our students take flexible study programs that allow them to create their study plan as they go, choosing language classes every 4 weeks according to their language level, personal interests, skill progression, and study goals.

CORE CLASSES: Core classes provide a strong, comprehensive foundation in the subject area.

ELECTIVE CLASSES: Elective classes build on your core learning and enhance linguistic skills through content focused on your particular interests, weak areas, or to help you achieve specific learning goals.

PROGRAM: A program at ILSC is the study package you build that meets your interests and helps you achieve your goals. A program can also be a pre-packaged selection of classes created by ILSC.

Program and Class offerings may vary depending on enrolment.
