#### STRATEGIC WEB DESIGN - THE CREATIVE EFFORT

Website design is undergoing a radical change in how sites are built and how they're viewed. With a need to be viewable on everything from large screens to the smallest phones, newer methods to deliver and display increasingly complex sites have been created. The increased complexity is being handled with website templates and HTML5 programming. Students will gain an understanding of these changes and how digital marketing professionals are adapting. They also will be able to use templates and WordPress to build a

fully functional website that showcases their talent.

Required level: 13

 2025 Evening: Jun 16, Dec 1

 Tuition Fee: \$1,575
 Materials Fee: \$200

#### WRITING FOR THE WEB

Marketing in the digital age is all about content. From your website, YouTube channel, blog, brochure, or tweets, content is what differentiates a mediocre from a viral marketing campaign. However, not all content is created equal, and careful consideration needs to be given to everything published to maximize its effect. Tweets, blog posts and website copy all serve different purposes and carry their own constraints. This course provides the skills to navigate the content creation challenge successfully
