Description

Our ESL High School Bridge curriculum covers academic reading, grammar, vocabulary, paragraph and essay writing skills. Students can practise speaking and listening through discussion topics that are important for today's youth and that pay particular attention to cultural diversity. Students can choose from 2 schedule options – Part-Time or Full-Time.

Our **High School Credit Package** is an 8-week study program that includes our ESL High School Bridge curriculum delivered in the full-time schedule (20 hours per week) plus dedicated self-study time for students to complete high school credit course content (13.75 hours per week). This hybrid program includes live, online ESL High School Bridge classes taught by ILSC teachers, combined with TVO ILC's online Ontario high school credit programs. Courses are available for students from Grade 9 to 12 in a broad range of topics including math, English, sciences and more.

Program options are available in 2 different time zones for your convenience.
