DESCRIPTION

Designed specifically for young learners, this program will provide students with a strong foundation of the four basic language skills: speaking, listening, reading and writing. Throughout the 8 weeks, students will learn from highly qualified instructors through a student-centered curriculum that accommodates each student's unique interests and learning needs .

The program's small class sizes ensures that young learners receive the individualized attention they need to achieve their language learning goals. The program incorporates modern textbooks, computers, magazines, videos, and engaging games to reinforce the teachings.

- Build your vocabulary
- Increase your accuracy
- Improve your listening skills
- Practice speaking in a range of situations
- Learn idioms and current expressions
- Develop academic English skills for school and university, as well as competitive exams

These popular 90 minute classes provide an intensive language immersion and an excellent opportunity to improve your English skills quickly. ILSC's unique educational approach actively involves students in the learning process through fun an engaging activities.
