DESCRIPTION

The Yoga program at ILSC–New Delhi offers a unique opportunity to experience the ancient holistic health practice developed in India under the careful instruction of a certified yoga teacher.

Students will practice yoga in its most traditional Indian method, as well as meditation and de-stressing techniques. They will learn the most common yoga techniques and poses, while paying special attention to English language learning. Students will develop English listening skills as they learn to follow physical instructions accurately while mastering the vocabulary of anatomy and movement.

Students can opt for this package as an add on to their chosen studies from ILSC's selection of courses to develop their English Communication, Academic, or Business English, depending on their personal interests and language level.

The program is open to all yoga experience levels.

PROGRAM SCHEDULE

Program runs 4 days per week, for a total of 5 hours practise per week. Yoga classes take place in the early mornings, from 8:00 - 9:15 am depending on what schedule and days best suit the current yoga package students.
