Before You Arrive

ILSC and Greystone College will provide you with a helpful Quarantine Check List so you know how to prepare for your travel. See our [Quarantine Guide](#) for details.

On February 22, 2021, the government of Canada implemented new arrival and quarantine requirements for people arriving to the country. Book your Quarantine Accommodation package with ILSC and Greystone College to make your arrival and your quarantine period smooth and easy.

Entering Canada: What to Expect

In addition to completing a Polymerase Chain Reaction (PCR) test 72 hours before departing for Canada, arriving travellers will now complete their 14-16 day quarantine in two steps, with two additional testing stages. Visit the Canadian Government website for more information about [boarding flights to Canada and travel restrictions in Canada](#).

STEP 1: ARRIVAL & 3 DAYS IN A GOVERNMENT-APPROVED QUARANTINE HOTEL

- Land at one of Canada's four airports currently open to accept international flights (Vancouver, Calgary, Toronto, or Montréal airport).
- Upon arrival, you will be required to take a COVID-19 Polymerase Chain Reaction (PCR) test, and then proceed directly to a Government of Canada approved hotel to quarantine for your first 3 days, or until you receive a negative result from your airport test.
- In the airport, you'll also be provided with an at-home PCR test kit to be completed on day 10 of your quarantine.

STEP 2: COMPLETE THE REST OF YOUR QUARANTINE AT ONE OF ILSC'S QUARANTINE ACCOMMODATIONS

- Once you receive the results from your airport test and are released from your Government of Canada-approved quarantine hotel, you can proceed to your ILSC and Greystone College quarantine accommodation to complete 11-13 days more quarantine for a total of 14 days (in Montréal and Vancouver) or 16 days (in Toronto).

How ILSC and Greystone College Support You

When you book one of our quarantine accommodation packages we will:

- Book your government approved 3-day quarantine accommodation required for step 1;
- Contact you upon your arrival at the government approved quarantine accommodation to see how you're doing, and stay in touch with you throughout your quarantine;
- Organize ground transportation from your government approved quarantine hotel to your final quarantine destination. If you must take a domestic flight to arrive at your final quarantine accommodation, ILSC will only arrange for ground transportation from the airport once you arrive to the city where you will complete your quarantine; and
- Welcome you to start your classes online during your quarantine.
