GREYSTONE COLLEGE CANADA: EXTEND YOUR STUDIES PROMOTION

# EXTEND YOUR CANADIAN STUDY EXPERIENCE!

Are you in Canada with active study permit? Receive exclusive tuition discounts to extend your studies when you enroll in a Greystone College Canada diploma program in business, digital marketing, hospitality, or technology!

**SAVE \$700  
OFF TUITION**

on any new Greystone College Canada diploma or Attestation in College Studies (ACS) program booking. Current or former ILSC and Greystone College students will also receive waived registration fee.

## Free Visa Extension Support\*

Students within Canada registering for a new Greystone College Canada diploma or ACS program receive free visa extension support from Encubate, an authorized immigration consultation firm.

\*Some students may be eligible to work off-campus for up to 150 days between their programs. Please consult IRCC's website for eligibility. [Study permits: Off-campus work - Canada.ca](#)

### Promotion Conditions:

- Applicable on new diploma or Attestation in College Studies program bookings only.
- Registrations must be received prior to June 30th, 2024.
- The Extension Promotion cannot be combined with any other Greystone College Tuition Promotion - note that students will receive a maximum \$700 tuition discount on our new tech programs.
- Any student with an active or previous Greystone College booking must have completed the course in order to be eligible for this promotion on their new Greystone College Canada diploma program booking.
- Students are required to provide a copy of their active study permit at the time of application in order to trigger the promotion.
- For students from institutions other than ILSC Language Schools or Greystone College, proof of enrolment or proof of graduation is required at the time of registration.
- Students will need to apply to extend their study permit to participate in the program - the program is not eligible for a Provincial Attestation Letter.
- Proof of study permit extension is required prior to starting your classes at Greystone College Canada.
- For students booking a co-op diploma program, proof of co-op work permit applications is required prior to starting your classes at Greystone College Canada.
- If a student is booking a college program that they do not currently have the prerequisite language level for, they will be responsible for achieving this language level prior to the diploma program start date. The student must either have enough validity on their student permit to complete the prerequisite or they may need to extend their study permit using a pathway LOA. It is important to note that a student studying a language portion would not be able to work until the language portion is completed.
